## AFFIDAVIT BY RICHEY.

### Attorney Declares McIntosh Signature Genuine.

The State.

"I can not understand why Dr. McIntosh denies the genuineness of his signature," says W. R. Richey of the Laurens bar in an affidavit sent to The State in connection with the R. A. Richey parole case.

The affidavit follows:

State of South Carolina, County of Richland.

Personally came before me W. R. Richey, who, being duly sworn, says that he is a practicing attorney at the Laurens bar, in this State, and has been engaged in the practice of his profession in the town of Laurens for the past 28 years.

That he is a brother of Mr. R. A. Richey of Abbeville county, who was convicted of statutory rape.

That from his brother's statement to him, and from the other evidence connected with the case, he has never believed, and does not now believe, that his brother is guilty of said offense, and that he has been continuously endeavoring to clear his brother's good name from this foul charge.

That the recommendation of the board of pardons to Gov. Blease, in which the board says, "From the statements made to us by the matron and the prosecuting witness there are grave doubts arising in our minds as to the guilt of the petitioner on the charge convicted," shows to disinterested and unprejudiced minds that there are others who agree with his view of the case.

That, in his efforts to relieve his brother, he requested different physicians to make an examination of his brother's condition, by the consent of Superintendent Griffith of the State penitentiary, who, in one of his certificates, says, in speaking of deponent's brother: "His imprisonment is a burden to the penitentiary, and I therefore recommend that he be pardoned."

That he also had his brother examined by Dr. Rolfe E. Hughes of Laurens, Dr. Wm. D. Simpson of Abbeville and Dr. R. T. Jennings of the penitentiary, and that they jointly certified to his physical condition, said certificate having been published in the newspapers.

That Dr. R. T. Jennings gave a separate and private certificate, which is dated April 20, 1911, in which he says: "He (speaking of R. A. Richey) is physically unable to perform any labor at all. I find his right lower limb paralyzed from waist down."

That the said Dr. Jennings gave a second certificate dated August 22, 1911, and written in his own handwriting, in which he says: "This is to certify that R. A. Richey is now suffering from stroke of paralysis of left side. Said paralysis renders the said R. A. Richey physically unable to be out of bed at any time. The said R. A. Richey has been in this condition to my certain knowledge since April 15, 1911."

That deponent also presented to Gov. Blease certificate of Dr. C. C. Gambrell, mayor of Abbeville, of date April 3, 1911; also certificate of Dr. Wm. D. Simpson of date July 22, 1912, and further certificate from Dr. C. C. Gambrell of date November 18, 1913, signed at Abbeville; also of Dr. William D. Simpson of date, Abbeville, November 19, 1913, and of Dr. Rolfe E. Hughes of date, Laurens, November 18, 1913.

That he also had Dr. A. B. Knowlton and Dr. James H. McIntosh to examine his brother, not as a committee appointed by Gov. Blease, nor at the request of Gov. Blease, but of deponent's own volition, and that he received from these physicians, through the hands of Dr. A. B. Knowlton, the original certificate, which reads as follows—the headline thereof being in print and the body thereof in typewriting without any alterations, erasures, or the slightest change whatsoever; that the body of this paper is in typewriting and the signatures to it are made by pen and ink; that he delivered this paper to Gov. Cole, L. Blease, and that the same paper read by Gov. Blease at Abbeville, and at the Columbia campaign meeting (as published in the newspapers) is the same certificate that was delivered to him by Dr. A. B. Knowlton, and was immediately delivered by deponent to Gov. Cole, L. Blease. That deponent now, at this moment, holds in his hand the said original paper, and that it is in exactly the same condition as when handed to deponent by A. B. Knowlton, and as when handed by deponent

to Gov. Blease. That deponent paid Dr. A. B. Knowlton for the services of Dr. McIntosh and Dr. Knowlton, and that deponent holds, in the personal handwriting of Dr. Knowlton, Dr. Knowlton's receipt for said fee. The certificate is as follows:

"The Knowlton Hospital  
"No. 1515 Marion Street.  
"Columbia, S. C., Jan. 19, 1912.  
"His Excellency,  
"Gov. Cole, L. Blease,  
"Columbia, S. C.

"Sir: At the request of Mr. W. R. Richey of Laurens, S. C., and with the permission of Capt. D. J. Griffith, superintendent of the State penitentiary, and of Dr. R. T. Jennings, surgeon of the same, we have this day visited and examined Mr. R. A. Richey, now confined in the hospital of the penitentiary. We would report that we find Mr. Richey suffering from a marked neurosis, that the same closely simulates a true paralysis. We are informed that Mr. Richey has had some such trouble for the past ten years or more, and close confinement is rendering it more marked. We do not believe this condition will be improved so long as Mr. Richey remains a prisoner in the penitentiary. We do believe that freedom, outdoor exercise, etc., would restore him to as good a state of health as he has enjoyed for the past ten years.

"Respectfully submitted,

(Signed) "A. B. Knowlton, M. D."

(Signed) "James H. McIntosh, M. D."

I can not understand why Dr. McIntosh denies the genuineness of his signature, and especially since waiting from the date of this certificate up until July, 1914, and after the death of Dr. A. B. Knowlton, when, as a matter of fact, the certificates have been on file during the entire time, and the governor, in his statement of paroles, pardons and commutations, at the session of the general assembly, in 1913, presented said reasons to the senate, and the same are now a part of the permanent files of the general assembly of 1913.

My reasons for employing Dr. Knowlton and Dr. McIntosh were because they were men well known throughout the State, and had the reputation of being physicians of splendid ability and men of high character, and I felt that a certificate from them would have weight as coming from men high in the medical profession.

I am thoroughly convinced that if I had the time and opportunity to get together all of my various papers and memorandums in this matter that could easily and clearly establish the fact that this is the original signature of Dr. James H. McIntosh.

(Signed) W. R. Richey.

Sworn to before me this 27th day of July, A.D. 1914.

## SLEEP DISTURBING BLADDER WEAKNESS BACKACHE-RHEUMATISM, QUICKLY VANISH

Even Most Chronic Sufferers  
Find Relief After A Few  
Doses Are Taken

Backache, urinary disorders, and rheumatism, are caused from weak, inactive kidneys, which fail to filter out the impurities and keep the blood pure, and the only way on earth to permanently and positively cure such troubles, is to remove the cause.

The new discovery, Croxone, cures such conditions because it reaches the very roots of the disease. It soaks right into the stopped up, inactive kidneys, through the walls and linings; cleans out the little filtering cells and glands; neutralizes and dissolves the poisonous uric acid substances that lodge in the joints and muscles to scratch and irritate and cause rheumatism; it neutralizes the urine so it no longer irritates the tender membranes of the bladder, and cleans out and strengthens the stopped up, lifeless kidneys so they filter and sift all the poisons from

the blood, and drive it out of the system.

So sure, so positive, so quick and lasting, are the results obtained from the use of Croxone, that three doses a day for a few days are often all that is required to cure the worst case of backache, regulate the most annoying bladder disorders, and overcome the numerous other similar conditions.

It is the most wonderful preparation ever made for the purpose. It is entirely different from all other remedies. There is nothing else on earth to compare with it. It is so prepared that it is practically impossible to take it into the human system without results.

You can obtain an original package of Croxone at trifling cost from any first-class drug store. All druggists are authorized to personally return the purchase price if Croxone fails to give desired results, regardless of how old you are, how long you have suffered, or what else has failed to cure you.
